### Who is eligible to vote?

Spokane FSC membership is comprised of junior (under the age of 18) and senior (18 years of age or older) members. If the skater is under 18, but has graduated from high school, then they are considered to be a senior member.

One parent or guardian may vote on behalf of their child (junior member). For example, if the parent or guardian is also a member of the club, then two ballots would be voted at the annual meeting (or return the ballot(s) to us, to vote your proxy, if you will not be available to attend the annual meeting). If you have two or more children who are members of the club, then you would vote a ballot for each of your children.

Please contact Dean Wiles (deanwiles@yahoo.com) if you should have any questions about voting.

You can view the club Bylaws at <http://www.spokanefigureskating.org>, under the heading "About Us," and then under "Bylaws."
