

## Lake City Figure Skating & Spokane FSC Sponsorship Form

Thank you for considering a sponsorship to support our local figure skaters at both the recreational and competitive levels. Figure skating is a wonderful life-long sport, and a tremendous way for our athletes to develop self-confidence, discipline, sportsmanship & personal responsibility. Each sponsorship allows us to keep our program affordable, provide quality instruction to all our athletes and give our skaters multiple performance & competitive opportunities annually. We are grateful for your investment in our skating community, you are helping today's youth sports athletes become future champions.
