Spokane Figure Skating Club - Rules Governing Tests

1. If you are not a member of **Spokane FSC** ("SFSC"), there is a "non-member" fee of \$30 to be added to the total test cost. As a "non-member," you are responsible for obtaining a **permission letter** from your home club and submitting it with your test application (an e-mail from the Test Chair of your home club is acceptable). If you choose to join **SFSC** as an "associate" member, that would waive the "non-member" fee of \$30.
2. The test candidate must be a member in good standing of *U.S. Figure Skating*.
3. Test sessions will be held annually at the following events:
Funtastic exhibition - February
Lake City Classic - May, Memorial weekend
Spinning Leaves exhibition - September or October
Test applications are due by the registration deadline for each event.
Any additional test sessions may be added at the discretion of the test chair, coach & judge's availability. If you feel you are ready to test, discuss with your coach.
4. Test applications will be processed in the order received; however, first priority is given to home club members, and second priority to associate members. Should the test session fill before the application deadline, all other test applications will be held and given first priority at the next scheduled test session.
5. Test fees are **NON-REFUNDABLE** unless **SFSC** is unable to accommodate your test or the session is not held.
6. Test fees will not be carried over to the next test date if skater is unable to advance to FS due to a retry mark on MITF or unable to advance to a higher level dance due to a retry mark on a dance.
7. Checks are payable to **Spokane FSC**. A fee of \$25 will be due for any check returned for insufficient funds.
8. Your coach will know when you are ready to take your test(s). Be sure to have your coach sign the test application form.
9. Hospitality for the judges and skaters: Please bring either a food item or contribute \$5. The Test Chair will contact you prior to the test session to find out which option you prefer.

Please contact the Test Chair if you have any questions about the test session. The form must be complete and accompanied by the applicable fees before the candidate will be scheduled to take their test(s).

Mail the test application with check and permission letter (if applicable) to the incoming Test Chair:
